

ASSEMBLY - FRONT

ASSEMBLY - TOP

ASSEMBLY - SIDE

Technical notes

- All dimensions are in millimetres.
- General wall thickness: 2.00 mm.
- Nominal external edge radius: 0.80 mm.
- PCB outlines and alternate mounting patterns are reference geometry only.
- Verify hinge and fit clearances with a physical FDM prototype.
- Interactive isometric preview is available in the web viewer and GLB artifact.
- Nominal closed dimensions: 79.00 x 95.00 x 40.00.
- Configured hinge opening preview: 195.0 deg.
